

# Seven Sensational Reasons That Mountain Link is Easier and Faster than Driving

## 1 FAST and DIRECT

Mountain Link offers direct, high frequency transit service between Woodlands Village, the NAU Campus and Downtown Flagstaff.

## 2 EVERY 10-15 MINUTES

Monday through Friday, Mountain Link runs every 10-15 minutes, so no long waits to catch the bus. It even runs on weekends every 40 minutes.

## 3 FASTEST WAY ACROSS CAMPUS

On the NAU campus, the bus operates on a transit spine that is open only to buses, bikes and pedestrians – so it is the fastest away across campus.

## 4 NO PARKING REQUIRED

When you take Mountain Link to Downtown Flagstaff you'll be dropped in the heart of downtown without having to worry about where to park.

## 5 LOW FARES

The Mountain Link fare is only \$1.25 or \$2.50 for an all day pass. NAU Students, Staff and Faculty ride free with their NAU ID. Seniors and persons with disabilities ride for half fare.

## 6 ECO-FRIENDLY BUSES

Mountain Link vehicles are hybrid electric for reduced emissions. So you can do your part for the environment while saving time and money.

## 7 CONNECTIONS

At Mountain Line's downtown transfer center you can easily transfer to other Mountain Line routes for a trip to the Flagstaff Mall, Coconino Community College, Buffalo Park or wherever you're headed.
